

LARICA TECH RIDER

We bring our own microphone for Lead Vocals (Shure SH55 Pro)
We need an XLR cable, but no stand.

We bring our own microphones for the brass section (Audio Technica clip-ons)
We need XLR cables for connection.

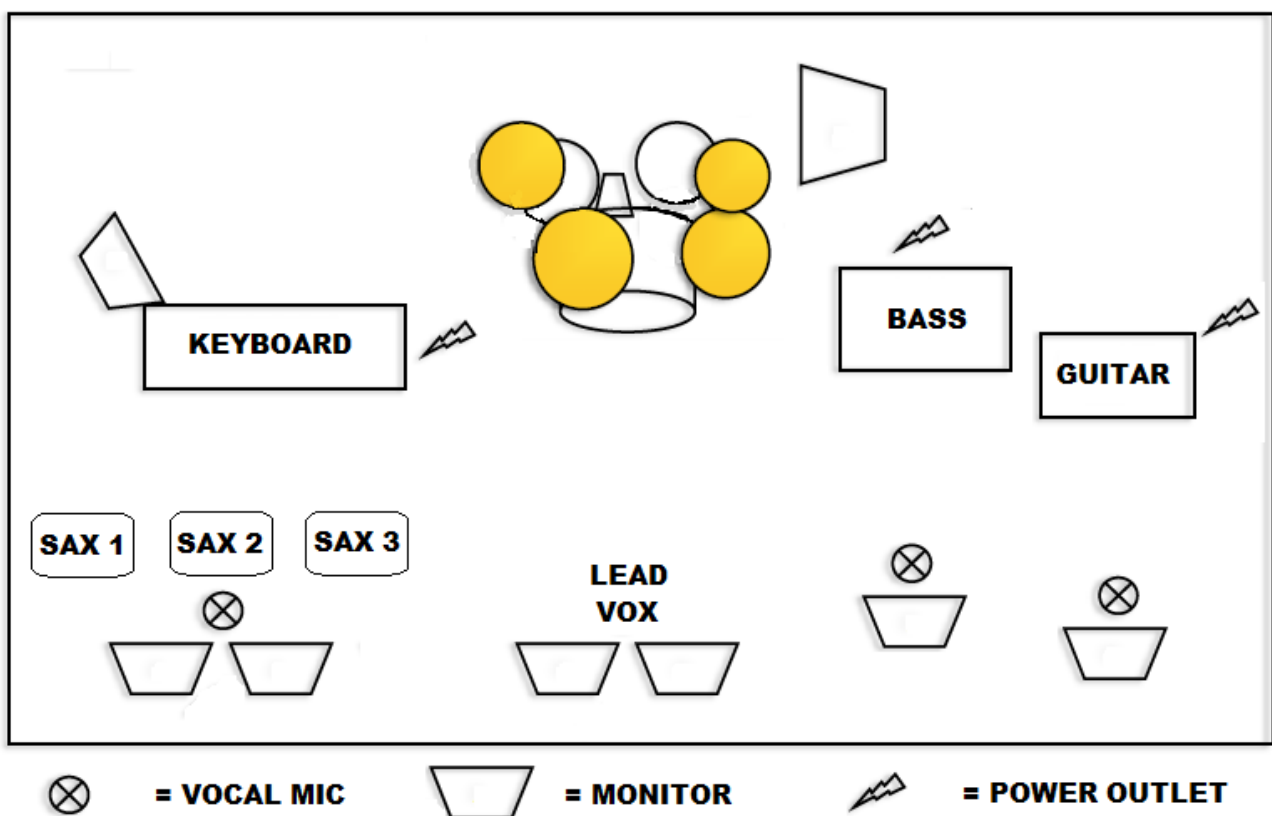

We need three vocal microphones with stands for chorus.

NB:

Sax 1 switches to trumpet during certain songs

Sax 3 switches back and forth to clarinet throughout the show

STAGE PLAN:

We are relaxed and patient people, so we expect your technical staff to be the same. Smiles and a positive mindset goes a long way.

We are very much looking forward to working with you!

Love, **LARICA**
